

TIPS TO STOP CYBERBULLY

Say or comment
with positive

Do not post anything
that private

Respond to any
angry message
with anger

Beware on
certain topics

Just post
anything you like

Reply the message
from stranger

Say or comment
with negative things

Ignore the
message from
stranger

Block the person
who comment bad
things about you

Don't report the
person you blocked

Save the proof of a
person
cyberbullying you

Think before you
post something

The Do's	The Don'ts
