I wonder you and me each other
Don't you the similarities between us?
Take a minute and see yourself in the mirror
You like me: those, lips - you can't deny

Have you thought about
Why we look the same?
Why we feel the same?
Don't tell me it's by chance

Oh, you're my brother
You're my sister
We're big family
Oh, you're my brother
You're my sister
Just one big family

It doesn't matter if you live away from me
You feel I feel, you bleed I bleed, you cry and I cry
We sleep and dream
..... we're sad, sometimes we're happy
You breathe I breathe
We love, walk, talk and we smile

Have you about
Why we look the same?
Why we feel the same?
Don't tme it's by chance

Oh, you're brother
You're my sister
We're one big family
Oh, you're my brother
You're my sister
Just one big family

I about you
And I wish you could realize
There's no difference between us two

We're part of one family
No how far you are
And even if we don't know each other
Oh, you and me, me and you, are one

Oh, you're my brother
You're my sister
We're one big family
Oh, you're my brother
You're my sister
..... one big family
