January February March
April May June July
August September October
November December

Hi, I'm Jessica. There are special days in every month of the year. Christmas Day is in December, Easter Day is in March or April and my birthday is in June. Here are some more special days.

Valentine's Day is in February. We send cards to people we love but we don't write our names in them! Some cards are romantic, some cards are funny.

Pancake Day is always on a Tuesday. This year it's in March. We cook pancakes and eat them. I like pancakes with lemon and sugar.

Halloween is in October. All the children in our street dress up as witches and ghosts. We make scary faces in pumpkins and then put candles inside.

Bonfire Night is in November. There's a big bonfire in the park and there are lots of fireworks at night. It's cold, but we have lots of fun!

Answer the questions.

- 1 Which month is your birthday in?
- 3 When do you have fireworks?

- 2 Do you send cards on Valentine's Day?
- 4 Which is your favourite special day?
