
Milky Way

I. What would you like to find about our galaxy, the Milky. After watching video on Milky Way write the answers by giving valid reasons.

1. What does the Milky Way look like?

2. Is the Milky Way moving?

3. How old is the Milky Way?

4. How big is the Milky Way?

5. Why is our galaxy called the Milky Way?

6. What is at the centre of the Milky Way?
