

I can compose numbers

Orange group

Write the missing number (whole)

Two identical composition problems are shown, each within a large rectangular frame. Each problem consists of three circles connected by lines.

Problem 1 (Top):

- Circle 1 (Left):** Contains the number **10** and a ten-frame with 10 blue dots (2 rows of 5).
- Circle 2 (Bottom Left):** Contains an empty box and a ten-frame with 5 red dots (1 row of 5).
- Circle 3 (Right):** Contains an empty box and a ten-frame with 10 dots: 5 blue (top row) and 5 red (bottom row).

Problem 2 (Bottom):

- Circle 1 (Left):** Contains the number **10** and a ten-frame with 10 blue dots (2 rows of 5).
- Circle 2 (Bottom Left):** Contains an empty box and a ten-frame with 8 red dots (2 rows: 5 in the first row, 3 in the second).
- Circle 3 (Right):** Contains an empty box and a ten-frame with 10 dots: 5 blue (top row) and 5 red (bottom row).
