TASK 2: What's Oscar's hobby?

Read the text and answer the questions.

Oscar is 11 years old. He loves sports. Every Monday he goes to the football training. On Saturday he has his first football match. But he is not nervous, because he has new football shoes and a new T-shirt with the number 11. This is his favourite number. He sometimes meets his friends after school. They play football, listen to music or play computer games. But his favourite hobby is football. He watches the matches on TV with his father and they have a lot of fun together.

1. How old is Oscar? He is _____ years old.
2. What does he do on Mondays? On Mondays he _____.
3. Does Oscar have a basketball game on Saturday? _____.
4. What is his favourite hobby? His favourite hobby is _____.

5. Does Oscar have a new pair of jeans? _____.
6. What does Oscar do after school? After school he sometimes _____.

TASK 3: What are your hobbies?

Write three sentences about your hobbies. Write down what sports or activities you like, what you don't like, or what you do or collect.
