

Joining words or conjunctions *and but*

➤ Put **and** or **but** in the spaces to complete the sentences.

Your wheelie bin for **recycling** has a blue lid ____ it has a *pod* for paper and card. The pod keeps paper and card separate from the other materials in the main body of the bin ____ helps the council sort the different types of recycling.

The council will also collect a reasonable amount of cardboard ____ it must be neatly bundled ____ not larger than the bin. It can be left next to your recycling wheelie bin if it will not fit in the paper pod ____ the council do not collect anything else left outside a wheelie bin.

You should put your recycling wheelie bin out at the front of your property between 3:30pm the day before your collection is due ____ 5am on the day of your collection ____ you can also take your recycling to your nearest household recycling tip if you miss the collection.

The council made this small poster to show you how to recycle.

Pod – paper and card only

**mixed paper**

**cardboard**

Neatly bundled cardboard can be presented for collection alongside the recycling bin. No other side waste is permitted.

Body of the bin – tins, glass, plastic bottles and pots only

**food & drink cans**

**foil trays**

**aerosols**

**mixed glass bottles & jars**

**household plastic packaging**

No carrier bags, black sacks, plastic film and wrappers, black food trays or tetra pak cartons – anywhere in the recycling bin.
