Taken from Pearson Go getters 1

A) Read and match the wild animal with the description.

1 ☐ These animals are very fast. They can run at 55 kilometres an hour! They only sleep one or two hours every night. They've got cute faces. They don't drink much water but they like eating. They can eat leaves from tall trees. They eat 45 kilos of food every day!

2 ☐ These animals are big but they can run very fast. They love water and they can swim too. They love their families. They are very clever and friendly but sometimes they can be dangerous! They eat plants. They eat up to 270 kilos of food and they drink about 75 litres of water every day!

3 ☐ These animals eat a lot of very small fish and are very strong. They can jump out of the water. They like having fun! We can't hear them but they sing and they 'write' songs! Some people think they are ugly but in fact they are cute.
