Read and answer the questions

Carlos: Hello, my name is Carlos, do you live in Santiago?

Jimena: Hello, my name is Jimena, sure, I live here and where are you from?

Carlos: I'm from Mexico but my family and I have to move to Santiago, Chile.

Jimena: That sounds an adventure, and how old are you?

Carlos: I'm 15 years old and you?

Jimena: I'm 20 years old, OMG it's 7:40am, it's late to arrive to my job in the Supermarket!

Carlos: I don't want to delay you, but I'm lost, can you help me, please?

Jimena: Sure, how can I help you?

Carlos: Can you tell me how to get to the school from here? I think I'm lost

Jimena: You can walk to the right and the hospital is next to the fire station, so then you are going to find the police station and the school is behind it. To the left is the circus and to the right of the school is the airport, so the school is between them.

Carlos: Thank you so much.

Jimena: You are welcome.
