READ THE TEXT AND ANSWER THE
QUESTIONS

Read the text.

Prehistoric people lived thousands of years ago in parts of Europe, Asia and Africa. We know about them because scientists found fossils. They lived in caves and made fire using a special stone called flint. They used stones, wood and bones to make tools. They hunted large animals. They also collected plants and fruit to eat. Prehistoric people didn't have clothes.

They wore animal fur to keep warm. They couldn't talk like we do today. They couldn't read or write, either.

Read the questions and choose the answer.
