2. LISTEN. DRAG AND DROP. (ESCUCHA. ARRASTRA Y SUELTA)

The image shows a blue metal shelving unit with five shelves. Each shelf has a yellow rectangular box on it, and a speaker icon is positioned to the left of each box. To the right of the shelving unit are six small boxes, each containing an illustration of a different item: a chair, a bookshelf, a rug, a toy chest, and a wardrobe. The items are intended to be dragged and dropped onto the corresponding shelves.
