

Activity: Move the correct label below each picture.

Actividad: Mueve la etiqueta correcta debajo de cada imagen.

Now we're making birds
for our tree. This is what
we need.

Ready, we have some
beautiful birds

Then, paste feathers or
tissue paper squares on
both sides of the paper
plates.

Paste a triangle to make
the beak, streamers to
make the tail, and a
googly eye on each side
of the plate.
