

ANNEKE VAN GIERBERGEN – I SAW A CAR

Write the missing words:

I saw a car, a nice car
And I knew this car was gonna get me
Flaming, runs like a jet
And I don't get why it isn't yet

Oh this car is gonna bring me

I rely on my alone
Get by on my
I deny that I'm to blame
For you to be so low

I saw a man, a ... nice man
And to reel him in, I do I can
A so bold not exactly old
And I don't really get why he isn't ... yet

Oh this man is gonna take me ...

He's gonna save me

I saw a bird, a bird
If I could steal its I would get what I deserve

I'll stand my high up in the
And my responsibilities
I am 100 percent imperfect
I am 100 percent

Match the expressions with their definitions (drag and drop):
