2) How adventurous are you?

Je sais parler de mes expériences, de ce que j'ai déjà fait et de ce que je n'ai jamais fait :

-Have you ever driven a bumper car ?

- Yes, I have. = No, I haven't.

⇒ I have eaten raw fish, but I haven't eaten barbecued grasshoppers.

⇒ = I've eaten raw fish, but I've never eaten barbecued grasshoppers.

J'utilise le present perfect : qui se forme avec
HAVE au présent + le participe passé (V+ED).

⇒ She has eaten raw fish, but she hasn't eaten barbecued grasshoppers.

⇒ = She's eaten raw fish, but she's never eaten barbecued grasshoppers.
