Tara's New Flower Garden

Tara couldn't wait to make a new flower garden in her back yard. She got the soil ready for the new plants. Here is a table of what she planted in the new flower garden. Read the table and answer the questions. You will need a pencil to work some of the problems.

Flower	Pink	Purple	White
Daffodil	16	0	30
Iris	21	26	43
Day Lily	14	0	12
Azalea	24	30	9
Roses	7	0	5

ANSWER THE QUESTIONS:

1. What is the total number of Iris bulbs Tara planted?

2. How many roses did Tara plant all together?

3. What plant did Tara plant the most of?

4. How many more white Daffodils did she plant than pink?

5. What is the total number of purple flowers Tara planted?

6. What is the total number of pink roses she placed in the garden?

7. How many more purple Azaleas than pink Azaleas did Tara plant?

8. What is the total number of Day Lily plants?

9. What is the total number of pink flowers?

10. What plant did she use the least in her garden?
