D. Read the text and complete the map.

Hi everyone! My name is Macy. I live in Milan, Italy. There are a lot of stores and shopping malls in my neighbourhood but my favourite one is Brandstorm. It is the biggest shopping mall with more than 50 stores in it. On the ground floor, there is an enormous car park, a chemist's, an information office and a playground for children. The chemist's is next to the information office. On the first floor, there is a bakery, a butcher, a grocery and a supermarket. The grocery is between the butcher and the supermarket. On the second floor, there are coffee shops and restaurants. My favourite restaurant is "Sushi Time" and it is next to the Chinese restaurant. On the top floor, there is a bookstore, a music store and a gift store. There is also a movie theater and an art gallery. The bookstore is between the art gallery and the movie theater.
