I went to the London Dungeon today. We were walking through different rooms to watch live actors act out scenes from London's dark history. There's a ride at the end, similar to Disney's Tower of Terror ride, but not as thrilling. I didn't like the walk in the dark with so many people because I couldn't see the scenes. Also, no gift shop. But overall, it was a fun experience.

3 Hi Sasha!

When you arrive in London on Wednesday, I'm sure you'll be hungry so let's have something to eat. My favourite place near Trafalgar Square is The Sherlock Holmes pub (I'm a big Sherlock fan). The place is always busy, but the service is fast and the fish-and-chips is the best in town!

Let me know what you think, OK?

Ana
