

Suggerimento: nella prima bilancia nascondi tre palline per parte e ti arriverà la soluzione

The image shows a worksheet with two balance scales. The top scale has 8 red balls on the left pan and 1 green mug and 3 red balls on the right pan. The bottom scale has 2 green mugs on the left pan and the text 'Quante palline?' on the right pan. A dotted line is drawn below the question. The background is a light green textured paper with some faint, illegible text and a green triangle in the bottom right corner containing the word 'suggerimento'.
