### A-Reading Passage

Cristina Ronaldo-The Superstar of Football

Cristina Ronaldo, one of the world's best footballers today, plays as a forward for both the Spanish football club Real Madrid and the Portuguese national team. He has won many **awards** and holds many World records.

Ronaldo was born in 1985, in a poor neighbourhood of the city of Funchal in Madeira, Portugal. His parents were very poor, so he grew up in a tin-roofed **shack** with his elder brother and two elder sisters. He often played football instead of going to school and at age 11, he **dropped out** and joined a **local youth** team.

At age 12, he moved to the capital city, Lisbon to play for Sporting Lisbon's youth team. This was a difficult change for him, as he was away from his family. He played his first game in the Portuguese Super League at age 17 and quickly became famous as a **promising** young footballer.

Cristiano's **talent** soon caught the attention of Alex Ferguson, manager of the English football club Manchester United. He **purchased** Ronaldo from Sporting Lisbon for \$20 million in 2003.

Ronaldo had great **success** in playing for both Manchester and Portugal. He made his international debut for Portugal on 20 August 2003 and has been the captain since then. He scored the opening goal for Manchester United in their 2004 FA Cup **victory**. He also helped Portugal reach the final at 2004 UEFA Euro Championship.

In 2009, Real Madrid paid Manchester United 80 million Euros for Ronaldo's transfer. This made Ronaldo the most expensive player in history. He is also one of the highest-paid footballers in the world today.

#### I. Match the words (1-5) with their definitions (a-e).
