3. Put the sentences into correct places of conversation. (7 points each.)

A- If the men know how to share the life, not only the chores, everthing will be terrific.

B- I ironed my clothes, got dressed and switched on my laptop.

C- I watered them and mowed the lawn.

D- I smelt something terrible as soon as I left the kids' room.

**Merve:** Hi, Çiğdem. How are the things? Are you alright?

**Çiğdem:** No, I'm not. I almost died today. I'm so tired now.

**Merve:** Really! What happened? Please, tell me the details. Maybe I can help.

**Çiğdem:** I had lots of tasks to do. At first, I was in the kitchen to prepare the breakfast for the kids, but I realized that nearly all of the dishes were dirty, that is way I loaded the dishwasher before the breakfast. After the children went for the school, the real nightmare started. I made their beds and tidied their rooms. They never let their rooms clean and neat. That drives me really crazy. 1-\_\_\_\_\_. I think you have a guess: The garbage. I took it out and started cleaning the bathroom. There was a mountain of dirty clothes. That forced me to do the laundry. When I tried to leave the bathroom, I fell and hurt my ankle. The floor was wet and it was necessary to mop it. Then...

**Merve:** Please stop!!! I will lose my mind !!! Do you live alone at home? No!!! Then, why is it all your responsibility to do all these chores?

**Çiğdem:** You are right. You know I have a son and a daughter. My son is twenty-one, and my daughter is eighteen, but they never help me. And my husband! He sleeps ten hours a day. When he wakes up, the first things coming out of his mouth is a question: Is the lunch ready?

**Merve:** Oh my God! What a terrible life. Please, go on. What did you do after mopping the floor?

**Çiğdem:** I found myself in the garden. The trees were about to die. 2-\_\_\_\_\_. Suddenly, I heard our dog's voice. I fed and let him walk for a few minutes in the garden.

**Merve:** Let me make a guess. You finished all your duties and drank your coffee in front of the TV.

**Çiğdem:** I wish I had, but the answer is no. It was nine a.m. and my phone rang. It was my boss. There was a meeting at half past eight and I completely forgot. 3-\_\_\_\_\_. The meeting was on the Zoom.

**Merve:** This is like a movie scene. And then?

**Çiğdem:** The meeting was over. The kids came back home and I set the table again, cooked something quick for them and heard the voice: Is the lunch ready?

**Merve:** Your husband?

**Çiğdem:** Yes, he is. The winter sleep was over and he woke up starving :)

**Merve:** The last question. Is it women's responsibility to do all chores? What do you think?

**Çiğdem:** Of course not. 4-\_\_\_\_\_
