**A) This is Ollie. She's a reporter. Read her conversation with two immigrants from China.**

Good morning, I am Ollie Myers, I am a reporter at Central News and today I am making a report on immigrants. Today's guests are two immigrants from China. They are Jane Lee and Peter Lee. They are students at the community college. She is 19 years old and he is 20. They are students but they are not workers. They live in an apartment downtown.

Ollie – Where are you from?

Peter- We are from the Guangdong Province

Ollie- Are you happy in America?

Jane- Yes, we are! We enjoy living here.

Ollie- Is your real name Jane Lee?

Jane-No, it is not. It's Dai-xia and it means *summer*.

Ollie- Thank you very much.

They are two Chinese people living the American dream. This is Ollie Myers reporting from the community college, and tomorrow we will have more guests in "Living in America". See you then!
