Shopping online

When you are shopping online, first you go to the website. The first time you use a site you usually have to create an account, where you give your personal details. You then choose what you want to buy and click on each item. If you are buying clothes, make sure you get the right size! Everything you buy goes into your shopping bag or basket, usually at the top right of the page. When you are ready to pay you click on proceed to payment. You then have to give your delivery address where you want them to send your things and give your checkout details, for example your credit card number. Many people today also buy and sell things online at auction sites like eBay.
