

# What is Honesty?

Honesty is being truthful in what you say and in what you do. You say what really happened, and you only do things you know are morally right.

For each set of pictures, check the box in the green circle if the actions are honest or check the box in the red circle if they are dishonest.

Being honest means you say what really happened.

Being honest means you tell the whole truth. If you hide the truth, you are not being honest.
