

Augustine Technical High school

Third Observation

Academic English

Teacher. María Jesús Arias / Marco Rigueiro

8th Grade

- 1. Put the following sentence in the correct order. Remember the formula:
Subject + frequency adverb + verb + complement.**

always / I / baseball / play

does / run / she / fast?

go / we / cycling / never

not / they / chess / do / play

she / does / hardly ever / exercise

2. Match the sport with the correct word, whether it is play, go or do.

athletics, gymnastics, ballet, rugby, poker, hockey, sailing, surfing, cycling.

Play	Do	Go

3. Complete with the correct form of the verbs in simple present.
Remember to add -s, -es or -ies.

I _____ (like) to practice gymnastics

She _____ (want) a new playstation

We _____ (love) basketball

He _____ (practice) taekwondo

They _____ (play) soccer

4. Look at the information presented and answer the following questions, use adverbs of frequency.

	María	Sofía	Verónica
	100%	0%	50%
	100%	70%	10%

How often does Maria play basketball?

How often does Sofia play video games?

How often does Veronica play basketball?

How often does María play video games?

5. Answer the questions in a complete form, use adverbs of frequency.

For example:

How often do you read French books?
I never read French books.

How often do you play video games?

How often do you play soccer?

How often do you skate?
