

Carolina's Family Daily Life

Hi! I am Carolina and I am going to talk about my family daily life. In my house everybody always wakes up at six o'clock, because my parents have to work and my brothers and I have to go to school. My mother usually prepares eggs or cereals for breakfast. But, when my mother feels sick my father sometimes helps her preparing the breakfast. After breakfast, my brother and I go to school. We rarely go to school walking because my brothers do not like to walk so our parents often take us to school in the car. At lunch we seldom eat vegetables because we do not like them. We never eat lunch with our parents because they are working. Finally, my family is together again at night. We like to watch TV until nine p.m. then we all go to bed at ten p.m.

According to the reading write True or False in each of the following statements.
