Use the vocabulary to complete the comic strip

Okay perfect, I could go right after school.

It would be from 3:00pm to 8:00pm.

I like reading, dancing and playing board games.

Great! When could you start?

I think I need to be patient, caring and responsible.

Yes, of course! My name is Kate, I'm 16 and I live in Manhattan.

So, are you interested? Do you have any question?

Perfect! I'll send you my adress and you will meet my daughter Jade next Wednesday then!

What qualities do you think you need for this job?

Okay, I'm looking for someone to babysit my daughter 3 times a week, when would you be available?

I can start next Wednesday.

Yes, how much does the job pay? I am sorry to ask but I'm saving money to buy a moped.

Yes, I have taken care of my little cousins for 2 years.

Oh, you're right, I almost forgot to talk about that, it would be \$7 per hour.

So, today I'm interviewing you about the ad that I posted online for the babysitting job, can you introduce yourself briefly?

What are your hobbies, what do you like to do after school or in your free time?

I'm free on Wednesday, Thursday and Friday but when exactly would you need me?

I will be there for sure! Thank you, goodbye Mr Jones.

Okay, that sounds good to me!

Have you done babysitting before?
