

REDUCE-REUSE-RECYCLE

Listen to the song and complete the blanks.

Reduce, reuse and recycle

Easy to remember

And if you learn them

You will save planet _____

With the three "R"s, yes!

_____ the bags that you use

Whether paper or _____

Bring your own tote _____

To the market

Always make sure to close the faucet

When your teeth you're brushing

_____ the lights you don't need

To save _____

To save _____ as well

Reduce, reuse and recycle

Easy to remember

And if you learn them

You will save planet earth

With the three "R"s, yes!

_____ the bags that you get from presents

All the boxes and the _____

If they're in a good state

Don't throw them out

Gather the _____ from the shower

While waiting for it to get warm

You can use it for more things

Like watering the _____

Or to mop the floor

Reduce, reuse and recycle

Easy to remember

And if you learn them

You will save planet earth

With the three "R"s, yes!

_____ paper, plastics and glass

_____ and metals

Separate them by colors

Don't mix them up

Always try to buy those _____

That have been recycled

That way you encourage

Other people

To _____ too
