

Read the passage and then answer the following questions:

Water

We can't live without water, so water is very important for our life. We need water for drinking, washing, cooking, watering the fields and getting electricity. Everyone should feel sorry for every drop that falls carelessly. Many careless people use water in a bad way. They use too much water to wash their clothes or cars. Others leave the tap open day and night. Children must be taught how and when to use water carefully. Their parents and teachers must tell them that water can help us to turn the desert into green land to grow more crops.
