Complete the sentences with the correct form of the words given in brackets.

_____ (Friend) is one of the _____ (good) things in life. Everybody needs a good friend's shoulder to cry on, or _____ (simple) someone to share the joys and _____ (sorry) with. It isn't easy to find _____ (faith) and _____ (care) friends though. We can meet many people who will pretend to be our friends, but after all the true friends don't leave or betray. Friendship is a complex notion. People can quarrel or have some kind of conflict and still stay friends. And others, who never argue with each other, can soon split up. The same can be said about the _____ (relate) among friends. Those friends, who tell you the _____ (true) even when it's bitter, are more _____ (like) to care about you, than those who don't. Friendship is like a tree. It means that under good conditions it will grow and become rather strong. As the years pass, the tree can stand _____ (firm) and _____ (firm) on the ground. The same happens with a long-term friendship. To form a strong _____ (unite) of friends one should give lots of love, _____ (patient), _____ (understand) and care. This way, true friendship can survive any _____ (difficult).

Use the words in CAPITAL letters in the appropriate forms.
