

**There is one grammar error in every line in the passages below. Select the error and write the correct form of the word in the box provided.**

James and me decided to approach the boys

concerned the incident on the field. Gerard told

James that Josh was running careless and ran into

Haley. Haley complaint of pain on her right arm

after she got up. Josh was summon into the

principal's office for further investigate.

We lived in a fast paced world. The information that children

are exposed of is vast and unlimited. How do parents control

that use? Perhaps they need to returned to the traditional

everyday values who they hope will provide a solid foundation.

Parents believe that religion is the stronger building block

in that foundation while no one wants to raise a "quitter".
