D- How did you decide that?

E- What kind of activities do you do there?

Saban: Hello! I need your opinion for something. What do you think about going on a winter holiday?

Ferit: Hi, Saban. I'm not interested in it, because I don't think it is going to be fun in cold weather.

Şaban: Really! You may be right, but I had a great experience last year.

Ferit: I didn't know that. Please, tell me the details.

Şaban: Sure. Bayram, Ramazan and me booked a hotel in Uludağ, Bursa. We tried a lot of winter sports there and it was definitely wonderful. I never had so much fun before.

Ferit: 1-_____.

Şaban: I came up with the idea and told Bayram and Ramazan. They did not want to go there with me at first, but when I said I would pay for everything, they agreed.

Ferit: Interesting! 2-_____.

Şaban: Lots of things. We made a huge snowman and played snowball with the tourists, but when Ramazan started to eat the carrot in the nose of snowman, we stopped it. He was so hungry.

Ferit: You are joking! What happened then?

Şaban: We tried skiing, but I could not make it. It was so difficult to stay on the snow with the skis.

Ferit: I got it. 3-_____.

Şaban: It was so comfortable and cheap. The food was amazing and it had a fantastic scenery of Uludağ. We found it on the Net and paid online. When we got there, everything was ready.

Ferit: Happy to hear that. Let me ask you one more question about your holiday. We had so many holidays together. 4-_____.

Şaban: I would like to have the second one, because it is hot and we can swim, spend time at the seaside and play different games in the water. Also, it was so fun to go on a holiday with you.

Ferit: Thanks. Do you think I'm a good friend?

Şaban: Of course. You are the best. I like you more than anyone else. You are the king. (Yaw he he :))

Ferit: 5-_____.

Şaban: I must go now. Kem küm, kem küm. I have to go now... See you 😊😊

Ferit: Come here!!!! I'll catch you!!!
