READING COMPREHENSION

1- Read the following text about Rachel and her friend, Susie. Then answer the questions.

Susie, me and shopping

Believe it or not – shopping is my life! I love shopping. Every weekend I go to a shopping mall with my friend Susie and we spend a lot of time there – usually four hours! Last Saturday we went there and we had a cup of hot chocolate in a small café, we sat and relaxed for an hour or two. Then we went to Denim & Fashion, our favourite clothes shop. We didn't stop at the High Heel shoe shop because the shoes are very expensive and we didn't have much money.

Then we went to Music World to look at new CDs or DVDs. I like Adele, an English singer and Susie loves Marcus Miller, a guitarist. We didn't buy any CDs but we listened to music in the shop. In the evening, we went to a fast food restaurant to have a burger and coke. It's not very healthy but it's delicious! Next to the restaurant, there is an ice-cream shop. We had an ice-cream, of course! Later, it wasn't late so we decided to go to the cinema. We saw a new action film, it was great! We had a fantastic time together. We love hanging out in our shopping mall!
