

Shouting is not a good idea

When you drop your mobile phone into the bath, it is a serious problem.

Sometimes the elder brother or sister SHOUT at the little one in the family. Don't shout at your siblings. Talk to them.

Daniel is sad because his little brother Nick (1) _____ his mobile phone in the bath and now it is broken. Daniel _____ at Nick and he _____. Katy says Danil can _____ her old mobile but there is a problem . Daniel doesn't _____ his friends' numbers because they (the numbers) _____ all on the phone.
