Randall Boggs is one of the characters in the movies Monster Inc. and Monster University. He works in a factory where children's screams become energy. His job is to scare children to collect screams. He can camouflage like a chameleon and climb walls. His body is purple. He's got four arms and four legs. He hasn't got ears nor a nose. He's rude and bad, he does bad things. He's also a serious monster, he doesn't smile so much.
