

You and I by Lady Gaga

**Listen and complete with personal pronouns and possessive adjectives**

It's been a long time since \_\_\_\_\_ came around  
Been a long time but I'm back in town  
And this time I'm not leaving without you

\_\_\_\_\_ taste like whiskey when you kiss me oh  
I'd give anything again to be \_\_\_\_\_ baby doll  
This time I'm not leaving without you

You say sit back down where you belong  
In the corner of \_\_\_\_\_ bar with your high heels on  
Sit back down on the couch where we made love the first time  
And you said to me there's

something, something about this place  
(Something), something about lonely nights  
And my lipstick on \_\_\_\_\_ face  
(Something), something, something about \_\_\_\_\_ cool Nebraska guy  
Yeah something about baby you and I

It's been two years since \_\_\_\_\_ let you go  
I couldn't listen to a joke or Rock and Roll  
Muscle cars drove a truck right through my heart

On \_\_\_\_\_ birthday you sang me a heart of gold  
With a guitar humming and no clothes  
This time I'm not leaving without \_\_\_\_\_

Sit back down where you belong  
In the corner of \_\_\_\_\_ bar with your high heels on  
Sit back down on the couch where we made love the first time  
And you said to me there's

something, something about this place  
(Something), something about lonely nights  
And my lipstick on your face  
(Something), something, something about my cool Nebraska guy  
Yeah something about baby you and I

You and I  
You you and I  
You you and I  
You you and I

You and I  
You you and I  
Oh yeah, we're gonna die  
Without you and I

\_\_\_\_\_ got a whole lot of money, but \_\_\_\_\_ still pay rent  
'Cause you can't buy a house in heaven  
There's only three men that \_\_\_\_\_ am a certain my whole life  
It's my daddy and Nebraska and Jesus Christ

I am a New York woman born to rock you down  
So want my lipstick all over your face  
(Something), something, something about just knowing when it's right  
So put your dreams up for Nebraska  
For Nebraska, Nebraska, I love you...
