

## Reading Activity

### My Family Jobs

Hello! My name is Tania. I am 30 years old and I am a doctor. I work at a hospital. My mother is Rosy. She's 45 years old. She is a pilot. What does a pilot do? A pilot flies planes. My father is Mark. He's 46 years old. He's a vet. He works at the animal hospital. My mom and my dad work during the week. They don't work on the weekends. My sister is Sara. She works at the library. She helps the local librarian. We live in a house next to the park and across from the grocery store. We like watching movies and play board games on weekends.

a. Read and select the correct option.

1. What's Tania's job?
2. What's her mother's job?
3. What does a pilot do?
4. Where does her sister work?
5. What's her father's job?

b. Read again and choose True or False.

1. Tania's mother is 45 years old. *True*      *False*
