Sepak Takraw

I live in Indonesia. Every day after school my friends and I play sepak takraw. It's my favorite sport. It's such an exciting game, but I always feel tired after we play. We play on a court with a net. We play in two teams with a ball.

We kick the ball over the net. It's a woven ball and people play with this type of ball all over South East Asia. I'm really good at getting the ball over the net. My best friend likes running around the court, but he's faster than me. It's good when we play on the same team!
