

Beds Are Burning

Midnight Oil

Out where the river broke
The bloodwood and the desert oak
Holden wrecks and boiling diesels
Steam in forty _____ degrees

The _____ has come
To say fair's fair
To pay the rent
To pay _____ share

The _____ has come
A fact's a fact
It belongs to _____
Let's give _____ back

How can _____ dance
When _____ earth is turning
How do we sleep
While our beds are burning

How can we dance
When our earth is turning
How do _____ sleep
While our beds _____ burning

The time has come
To say fair's fair
To pay the rent
Now to pay _____ share

_____ wheels scare the cockatoos
From Kintore East to Yuendumu
The western desert lives and
breathes
In forty five degrees

The time has come
To say fair's fair
To pay the rent
To pay _____ share

The time _____ come
A fact's a fact
It belongs to _____
Let's give it back

How can we dance
When our earth is turning
How do _____ sleep
While our beds are burning

How can we dance
When _____ earth is turning
How do we sleep
While our beds are burning

The time has come
To say fair's fair
To pay the _____ now
To pay our share

The time has come
A fact's a fact
It belongs to them
_____ gonna give it back

How can we dance
When our earth is turning
How do we sleep
While _____ beds are burning
