My name is Stephanie. I'm going to talk about my likes and preferences. I love drawing, especially animals and cute doodles. I love drawing because it's fun and relaxing. I also like reading. My favorite books are The Sherlock Holmes series and the Harry Potter series. I like reading because it's entertaining. Something I don't like doing is listening to Rock. My sister always listens to Rock very loudly and I dislike it because it's annoying. I also hate exercising because it's too tiring.	My name is Felipe. I'm going to tell you about my pastimes. I really love singing. I sing my favorite songs all day. I love singing because it's fun. I also like dancing because it's exciting. I like dancing hip-hop and break dance. On the other hand, I dislike playing videogames. I dislike it because it's difficult and I'm bad at it. I also hate watching TV because it's boring. There's nothing good to watch these days.
