

Identifying Adjectives

Choose all the adjectives in each sentence. Remember they may be more than one.

Adjectives

An **adjective** is a word that describes a person, place, thing, or idea. Adjectives describe how things look, smell, feel, taste, sound.

Example: The loud boy walked into the quiet, brown building.

1. The large fan blew a cool breeze on us.
2. Bill rode his yellow skateboard down the steep hill.
3. We like pink lemonade better than regular lemonade.
4. The rocking chair is comfortable.
5. My dog has a plaid collar with his name on it.
6. Grandpa swept the dirty porch.
7. Pasta is Abby's favorite food.
8. Skunks are black and white.
9. The car's tank is empty.
10. I have a pen with red, blue and green ink.
11. My beautiful mom loves how peaceful the lake is.
12. Early morning is the best time to catch fish.
