A big empty car park sits next to a new luxury hotel.  
An attractive young man has his first date tonight.  
His wife finally threw away his dirty old shoes.  
He wore a beautiful black velvet jacket to the formal party.  
He met a short fat American woman on the plane journey home.  
Brazil has many long sandy beaches for locals and tourists.  
They live in a lovely old country house in England.  
She was wearing a stylish Italian leather bag that day.  
The dog has huge dark eyes that are really scary.  
My neighbor has a friendly old black dog named Blackie.  
He always wears his favorite striped cotton T-shirt.
