

+ =

A visual equation showing one red apple with a green leaf on the left, followed by a plus sign, another red apple with a green leaf in the middle, an equals sign, and an empty square box on the right. Above each apple is a small square box containing the number '1'.

+ =

A visual equation showing three red apples on the left, followed by a plus sign, one red apple with a green leaf on a grey grid background in the middle, an equals sign, and an empty square box on the right. Above the three apples is a square box containing the number '3', and above the single apple is a square box containing the number '1'.

+ =

A visual equation showing two red apples on the left, followed by a plus sign, two more red apples on the right, an equals sign, and an empty square box. Above each group of two apples is a square box containing the number '2'.
