

Song "True Colors"

Listen to the song "True Colors."

As you listen, complete the lyrics with the missing adjectives.

You with the _____ eyes

Don't be _____

Oh, I realize

It's _____ to take courage

In a world _____ of people

You can lose sight of it all

And the darkness inside you

Can make you feel so _____

But I see your _____ colors

Shining through

I see your true colors... And that's why I love you

So don't be _____ to let them show

Your true colors

True colors are _____

Like a rainbow

Show me a smile, then

Don't be _____, can't

remember when I last saw you laughing

If this world makes you _____

And you've taken all you can bear

You call me up

Because you know I'll be there

And I'll see your true colors

Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors are beautiful

Like a rainbow

If this world makes you crazy

And you've taken all you can bear

You call me up

Because you know I'll be there

And I'll see your true colors

Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors... True colors... Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors are beautiful

Like a rainbow
