

Adverbs of Frequency

POSITION

We place the frequency adverbs **BEFORE** the main verb. (In the Present Simple) For example:

He **usually wears** jeans

BUT, we put them **AFTER** the verb **TO BE**.

He **is never** late

GRAMMAR
EXPLANATION

100%

always

90%

usually

75%

often

50%

sometimes

25%

hardly ever

0%

never

1. Look at the percent written in the brackets and choose the correct adverb of frequency

1. Jane (25%) goes to the park
2. Daniel (100%) does his homework after lunch
3. You (50 %) go to the supermarket
4. They (75 %) read bedtime stories before they go to bed.
5. We (0 %) see him at school
6. The dog (90 %) goes for a walk in the mornings.

2. Join each adverb of frequency with its percent.
