

ALL ABOUT TOOTHLESS

Read the short description about toothless below and then answer the questions.

Meet Toothless

Hi! I'm Toothless and you may already recognize me from the film "How to train a dragon". I am a unique dragon and I'm completely covered with black scales. I have large black wings so I can fly very fast and do tricks in the air. I have a long tail with a special mechanism to help me fly. My mouth is wide and my eyes are big but I have a small nose. I have got four legs and claws too. I am very fast and I like to fly in the day with Hiccup.

Now answer these questions:

1. *What covers the body of Toothless?*
2. *What helps Toothless fly fast?*
3. *What is on the end of his tail?*
4. *What adjective describes his mouth?*
5. *What does Toothless like to do?*
