

I'm not [redacted], I was wrong  
 And the truth is [redacted] to take  
 I felt [redacted] we had enough  
 But our [redacted] went **overboard**  
**Lifeboat** lies lost at [redacted]  
 I've been trying to [redacted] your **shore**  
 [redacted] of doubt keep drowning me

All the dreams that we were building  
 We never [redacted] them  
 Could be better, should be better  
 For lessons in love

For [redacted] eyes egos burn  
 And the [redacted] is hard to break  
 Now we've waded in [redacted] deep  
 And love is overboard  
 [redacted] hearts **token** words  
 All the [redacted] I ever had  
 Fade like **footprints** in the [redacted]

All the homes that we were building  
 We never lived in  
 Could be better, should be better  
 Lessons in love  
 If we lose the time before us  
 The future will ignore us  
 We should use it, we could use it, yeah  
 Lessons in love  
 Lost [redacted] spirits love

Lessons in love  
 When will you ever learn  
 Lessons in love  
 When there's left to turn  
 Lessons in love  
 Don't let your [redacted] burn  
 Lessons in love

**Exc 1: Fill in the gaps with the right word**

Sea / mold / without / heavy / hard / fulfilled /  
 love / too / sand / spirits / sure / waves /  
 return / restless / proud / hopes / reach

**Exc 2: name the images with the words in bold**

I'll wait 'till you           

All the dreams that we were building  
We never lived them  
We could lose it, we should use it  
(lessons in love) lessons in love  
All the homes that we were building  
We never lived in  
Could be better (could be better), should be better  
Lessons in love  
If we lose the time before us  
The future will ignore us  
We should use it, we could use it (good God)  
Lessons in love

**Exc 3: Now, classify the words on the list according to their stress pattern?**

Restless      fulfilled      overboard      ignore      token      footprint      ego
