Hey Joy,

How are you? This is my first week in our new house and I'm not very happy about it because my sister and I have the same bedroom. I love her but she's a bit lazy and she's often rude to me. She put all her posters up on the walls and I can't put any of my posters up now. Her things are always on the floor, on her bed, on the computer and I always tidy up her mess. And listen to this. She doesn't want to keep my goldfish in the room because she doesn't like fish. So, now I keep him in the kitchen. And guess what! This week she's painting one of the walls black because she thinks it's trendy. I can't live in a black room. No way! It's a real problem. What can I do? Write back soon.

Love,

Jodie
