Have you got long hair? Do you know someone with very long hair? Well, Tran Van Hay from Vietnam believes he has the longest hair in the world. He is 71 years old and his hair measures 6,3 metres. He wears it on the top of his head. It's very heavy, so he has to be very careful when he rides his bicycle! Mr Van Hay says that he hasn't had a haircut for 35 years, and the local newspaper says he hasn't washed his hair for 10 years. But has he got the longest hair? The *Guinness Book of World Records* doesn't agree. They say that a Chinese woman, Xie Qiuping, has the record – her hair is 5,627 metres long. Mr Van Hay will have to ask someone from the *Guinness Book of World Records* to visit him in Vietnam and measure his hair!
