Hi! I'm Harry. I'm ten years old. I live in a small town South of London with my Aunt Petunia, my Uncle Vernon, and my cousin Dudley. I cook eggs and bacon for breakfast in the mornings. Then I wash the dishes, and I walk to school. It's not far. There aren't many shops near our house, but there's a playground. I like to walk around town. In town there's a small market, a bank, and a library. Sometimes I go to the library after school. There's also a train station. You can take the train to London. London is a very big city. There's a zoo and lots of theatres, parks, and shops. Well, it was nice to meet you. Byé!
