We won the race, **got** **get** out of the place
Went back home, got a brand new face for the **toys** **boys** on MTV (Boys on MTV)
But today the way I play the game has got to change, oh yeah
Now I'm gonna get **myself** **yourself** happy
I think there's something you should know
(I think it's time I stopped the show)
There's something **sick** **deep** inside of me
(There's someone I forgot to be)
Take back your picture **in** **on** a frame
(Don't think that I'll I be back again)
I just hope you understand
Sometimes the **clothes** **clouds** do not make the man
All we have to do now
Is take these lies and make them **true** **truth** somehow
All we have to see
Is that I don't belong to you and you don't belong to me, yeah yeah
Freedom (I won't let you down)
Freedom (I will not give you up)
Freedom (Gotta have some faith in the sound)
You got to give what you take
(It's the one good thing that I've got)
Freedom (I won't let you down)
Freedom (So please don't give me up)
Freedom ('Cause I would really)
You got to give what you take (really love to stick around)
Well, it looks like the **row** **road** to heaven
But it feels like the road to hell
When I knew which **side** **size** my bread was buttered
I took the knife as **hell** **well**
Posing for another picture
Everybody's got to **sell** **sail**
But when you shake your ass
They notice **fast** **best**
And some mistakes **were** **where** build to last
That's what you get
(That's what you get)
I say that's what you get
(I say that's what you get for changing your mind)
That's what you get for changing your **find** **mind**
